Overview:

Father Joe's Villages' 33rd Annual Children's Charity Gala is always a fantastic night. This is the largest fundraiser of the year for the Villages' core supporters, and it is dedicated to ending the cycle of homelessness by benefiting the hundreds of toddlers, youth and teens who call our Villages "home."

Held at the beautiful US Grant Hotel, the Gala typically attracts 325 attendees each year and is catered to our organization's highest net worth demographic. This unforgettable evening features a VIP reception, cocktail hour, exquisite dinner and program, silent and live auctions, an award ceremony, and dancing.

In 2016, this event generated over \$350,000 for our many children's services, including our fully licensed and accredited pre- and after-school programs, as well as our Therapeutic Child Care Center. Together we make a tremendous impact on the future of our San Diego community.

Notable sponsors have included Banner Bank, MRC, Swagelok, and Witt Lincoln.
